

Becoming a registered charity

What is it?

Are you thinking of setting up a charity? This course will explain how charities work, and take you through the process of registering with the Charity Commission.

Who should attend?

Anyone involved in running a community group, or thinking of starting one. No experience is needed.

What will I learn?

By the end of this session, you'll be able to:

- understand the differences between voluntary organisations, charitable companies and social enterprises
- understand the advantages and disadvantages of each type
- identify which type of organisation will be best for you
- find out how to register as a charity, in easy steps.
