

Applying for small grants

Course description

Competition for grants of up to £10,000 is fierce so applications need to be really strong. This course will go back to basics and will cover project planning, examples of application forms and practical exercises. You will also get information to take away with you.

What level is this course for and who should attend?

Level 1

Third sector, public or private organisations

What will participants learn?

- How to get yourself ready to apply
- Understand what funders are looking for
- Identify what makes a good application
- Find out where to go to research different funding opportunities
