

# Funding for health

## Course description

Do you provide activities or services to help people live healthier lives? This course is designed to support groups that work in health to improve their funding success.

## What level is this course for and who should attend?

Levels 2 and 3

Third sector, public or private organisations

## What will participants learn?

- Know what funds are available for health activities
- Know how to make a strong application or tender
- Communicate the health benefits of your work and link these benefits to funders' priorities and targets
- Measure and explain what you do
- Understand how your work fits into the PCT's five year strategy

## What else do I need to know?

Time: 9.30am - 4.00pm  
Date: Wednesday 21 April 2010  
Refreshments: Lunch  
Facilitators: NCVS Partnerships Team  
Costs: Nottingham city groups - £25  
Public/private - £50
