

Quality assurance briefing

Course description

How do you know which quality assurance system is best for your organisation? How long does it take and how much does it cost? The briefing will answer these questions and will give an overview of systems such as PQASSO, Visable, Investors in Volunteers and many others.

What level is this course for and who should attend?

Levels 1 and 2

Third sector, public or private organisations

What will participants learn?

- What quality assurance is, and what aspects of your work are covered by different models
- Understand what the benefits are, and how much time and resources are needed
- Plan how to involve your trustees, staff and volunteers in improving quality

What else do I need to know?

Time: 9.30am - 1pm

Date: Wednesday 7 July 2010
