

INTRODUCTION TO GAMBLING RELATED HARMS, CREDIT AND ILLEGAL MONEY LENDING

Workshop

**Attendance is FREE, though
advance booking is
essential**

**This full-day workshop is an opportunity
to develop a broad understanding of
gambling related harms, credit and
illegal money lending delivered by
experts in this field.**

We are offering a **hybrid option** to access this event as we want as many people as possible to benefit from this training opportunity.

Our talks will be delivered in person but available to watch online. The chat box will be monitored throughout the session with our online participants also encouraged to participate in our group discussions.

We highly recommend that people attend both the morning and afternoon sessions to get the most out of the workshop.

Email for more details:
enquiries@pdunottingham.org

Wed, 7th June 23

Morning Session:

10am-1pm

Afternoon Session:

2pm- 4pm

**Cleaves Hall Conference
Centre,**

6 Castle Gate,
Nottingham NG1 7AS

***Online options
available**

WE WILL EXPLORE:

Why gambling is so prevalent in today's world and how **trends** are changing?

What does **gambling-related harm** actually mean?

What are the broader **impacts** of gambling and how does it **affect others**?

How does gambling impact **different communities**?

How can you spot the **signs** of harmful gambling and have that **initial conversation**?

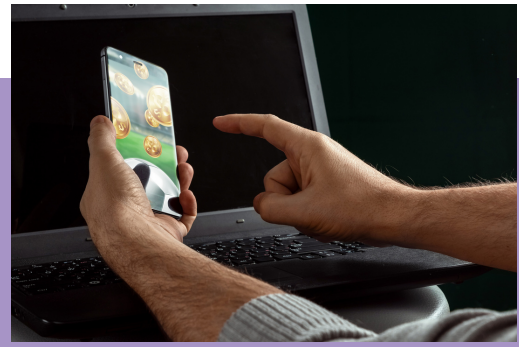

What **support** is available for gambling addiction and what are the long term **recovery options**?

What does gambling **look like locally**?

How does gambling intersect with **addiction** and **severe and multiple disadvantage (SMD)**?

What practical **intervention strategies** could you use to help support someone experiencing problem gambling in the short-term?

What forms can **illegal money lending** take and what help is available for victims?
